

Certificate

Approved Data Center highly available level 2 tekPlus

The Certifying Body of tekIt Consult Bonn GmbH, TÜV Saarland Group, hereby confirms that the company

Keyweb AG

Neuwerkstr. 45 - 46, D- 99084 Erfurt

is entitled to use the TÜV test mark "Approved Data Center" for its

Data center in Erfurt

The verification was provided by an on-site audit and on the basis of a successful assessment of the security of the data center included the following points:

- Organisational requirements
- Structural requirements
- Technical requirements

This certification is based on the

- requirements catalogue "highly available data center level 2 tekPlus" V2.2,
- test report TR02086,

The certificate applies exclusively for the audited data center at the point of the tests and grants the holder the non-transferrable right to use the test mark for the purposes of advertising during the period of validity.

This Certificate is valid until 2018-12-31.
